*The Campaign
for UCD*

**FORMING
GLOBAL
MINDS**

UCD HAS AN UNRIVALLED
TRADITION OF TEACHING
LAW, AND HAS OVER ITS
LONG HISTORY PRODUCED
A ROLL CALL OF SOME OF
THE GREATEST LEGAL
PRACTITIONERS AND
ACADEMICS AT EVERY LEVEL
OF THE JUDICIARY, THE BAR
AND GENERAL PRACTICE.

THE NEW UCD SUTHERLAND SCHOOL OF LAW IS A TRANSFORMATIVE PROJECT.

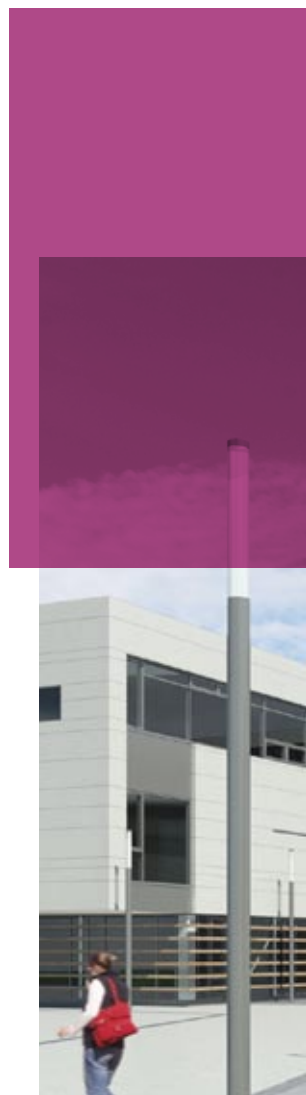

A bold new signature building finally putting down roots for law at the heart of the UCD Campus. Stunning new facilities will ensure that UCD will set the pace for world-class legal education, research and professional development.

Peter Sutherland is one of our most distinguished alumni. It was his gift which gave this project its crucial impetus. His vision for the future of legal education has been brought brilliantly to life by Maloney O'Beirne architects. The innovative design captures the essence of the new Law School where collaboration, interdisciplinary teaching and the delivery of programmes that are student focused and skill-based are highly valued.

BE PART OF TAKING OUR HISTORY FORWARD – SUPPORT THE CAMPAIGN.

At 5,100 sq.m The UCD Sutherland School of Law will bring together under one roof undergraduate and graduate law studies, the institute of criminology, legal research centres and continuing professional development programmes. It will be the first Law School in Ireland to have a Clinical Legal Educational Centre.

The UCD Sutherland School of Law has evolved from the traditional model of teaching law to one which is student-centred; providing critically informed legal education with a clinical component; utilising innovative assessment methods and engaging with related disciplines.

WE WILL CREATE THE
ENVIRONMENT TO FOSTER
FUTURE GENERATIONS OF
LEGAL MINDS.

TO DATE €25.7 MILLION
HAS BEEN RAISED. YOUR
PHILANTHROPIC GIFT
WILL BRING THIS PROJECT
TO FRUITION.

At a cost of €27 million the fundraising campaign is ongoing since 2008. To date €25.7 million has been raised, leaving a balance of €1.3 million. Your philanthropic gift will help to bring this project to fruition.

Those who contribute will add their names to the prestigious list of legal alumni who have already committed vital funds – all of whom will be recognised appropriately within the Law School.

Construction is set to commence in June of this year, completing by September 2011 in time to mark the Centenary of the UCD School of Law. The project will do more than raise a new building; it will raise UCD Law's sights for the future.
